PROFESSIONAL SUMMARY

Innovative Odoo Developer with hands-on experience in building scalable ERP solutions and modern web applications. Specialized in bridging the gap between backend logic and frontend usability, with expertise in Odoo (v16–v19), Python, and React.js. Proven track record at Squad Focus in developing custom modules, integrating complex APIs (Amazon SP-API), and optimizing multi-company workflows on Linux environments.

TECHNICAL SKILLS

- ERP & Backend: Odoo (v16–v19), Python 3, XML, Odoo ORM, QWeb Reports, PostgreSQL

- Frontend Development: React.js, JavaScript (ES6+), Tailwind CSS, HTML5, Odoo OWL (Basics)

- System & Tools: Linux (Ubuntu), Git & GitHub, VS Code, REST API Integration, Docker (Basics)

- Core Competencies: Multi-Company Architecture, Access Rights Management, Third-party Integrations

PROFESSIONAL EXPERIENCE

Odoo Developer | Squad Focus (June 2024 – Present)

- Engineered and deployed custom Odoo modules using Python and XML following Odoo coding standards.

- Integrated Amazon Product Review Fetcher using external APIs to fetch ASIN-based product reviews.

- Implemented multi-company security using record rules and ACLs to ensure data isolation.

- Designed QWeb reports including Product QR Code integration for warehouse operations.

- Worked in Ubuntu/Linux environments using Git for version control and collaboration.

KEY PROJECTS

- **Library Management System (Odoo App):** Book cataloging, member management, issue/return workflows, penalties, and email notifications.

- **Amazon Product Review Fetcher (Odoo App):** API-based tool using Python requests, wizards, and transient models.

- **Company-Wise Inventory & Access Control:** Record-rule based inventory visibility by active company.

- **Trackly (React Application):** Task management app with drag-and-drop, responsive UI, and Tailwind CSS.

- **CodeNest_IO:** Multi-language online code editor with real-time execution and syntax highlighting.

EDUCATION

- B.Tech – Computer Engineering | Sankalchand Patel University (2021 – 2025) | GPA: 7.02/10

- 12th Science (HSC) | Smt. C. G. Mevada High School (2021) | Score: 76.50%
